YAB DATUK ONN HAFIZ BIN GHAZI

THE CHIEF MINISTER OF JOHOR

On behalf of the State of Johor it is my immense pleasure to welcome all teams, officials, visitors and hockey fans from Johor, the region, and indeed from all over the world to this beautiful booming city of Johor Bahru.

As in the past years, this edition of the Sultan of Johor Cup, which celebrates its 10th anniversary, we are going to see adrenaline-pumping matches displayed by leading hockey nations as the much awaited tournament makes a return after a two-year hiatus due to the pandemic.

We celebrate the significant achievements made by the Sultan of Johor Cup which has become one of the most important tournament in the International Hockey Federation (FIH) annual calendar that brings the best hockey talent around the world.

The Sultan of Johor Cup also helps projects the wonders of the nation and Johor to the world. The outstanding success we have so far speaks volumes of the hard work and commitment put in by everyone since the tournament was inaugurated in 2011.

Tourism is one of the key drivers for Johor's continuous economic growth, and hosting the Sultan of Johor Cup remains as one of the key drivers of the industry.

Hockey is not the only international attraction having successfully organised the Johor International Petanque

"Sports transcends politics, language and cultural barriers."

- Unknown

Men's and women's double Championships in Iskandar Puteri and the L'Etape Malaysia which was a big hit with cyclists from all over the world. The cycling event was held in picturesque Desaru Coast facing the South China Sea.

Not forgetting the Pasir Gudang Kite Festival which is part of the National Kite Festival at Bukit Layang Layang. It will also be the venue for next year's 25th Pasir Gudang World Kite Festival in February 2023. The World Kite Festival was last held in 2019.

As the Chief Minister of Johor, I would like to congratulate the organisers for their splendid job in organising previous editions of the Sultan of Johor Cup in Johor Bahru. I am confident they will be able to do the same, if not better, this time around.

I wish all teams a memorable time here. I do hope that those from overseas will fall in love with the charm and beauty of Johor Bahru, Today, Johor Bahru boasts of shopping malls and world-class sporting facilities such as the Taman Daya Hockey Stadium and the state of art Sultan Ibrahim Stadium.

YB MOHD HAIRI MAD SHAH

JOHOR STATE YOUTH, SPORTS, ENTREPRENEUR DEVELOPMENT
AND COOPERATIVES COMMITTEE CHAIRMAN

Coronavirus was declared a global pandemic by the World Health Organisation (WHO) in March 2020 and sports is one area that was heavily impacted.

The pandemic upended the sporting calendar and the world acclaimed six-nation Sultan of Johor Cup Under-21 International Invitational tournament was not spared and fell "victim" - forcing it to be cancelled in 2020 and 2021.

The two-year hiatus, however, comes with a silver lining with Johor Hockey Association president Dato' Majid Manjit Abdullah confirming that next year's tournament will be expanded to eight teams.

This is certainly a big boost for Johor as the state government continues its efforts to make Johor a sports hub in our sports tourism campaign.

Recently Johor hosted a number of international tournaments, including the the inaugural Johor International Petanque Men's and Women's Doubles Championships in Johor Bahru, the L'Etape Malaysia Cycling and the Ironman 70.3, both held in picturesque Desaru, which faces the South China Sea.

"Sports teaches you character, it teaches you to play by the rules, it teaches you to know what it feels like to win and lose - it teaches you all about life."

- Billie Jean King

The Sultan of Johor Cup has become a powerful tourism attraction and making a very positive contribution to Johor's economy as the state has plenty to offer in terms of nature and heritage. This tournament attracts participation and spectators.

I would like to extend a warm welcome to the participating teams and fans. South Africa will be making its debut in the tournament apart from regulars like Australia, Great Britain, Japan, India and Malaysia.

All the best and have a good time enjoying the matches amid keen rivalry. Do not discard the true spirit of sportsmanship.

Thank you.

HONOURABLE DATUK SERI AHMAD FAIZAL AZUMU

MINISTER OF YOUTH & SPORTS MALAYSIA

Selamat Datang Ke Malaysia (Welcome to Malaysia).

I regard a sporting youth as the jewel in a nation's crown and Alhamdulillah the Sultan of Johor Cup Under-21 Invitational International six-nation tournament is back after a two-year hiatus due to the Covid-19 pandemic that gripped the world for the last two years.

It could not be held in 2020 and last year due to the ban on organizing sports events due to the pandemic, but gladly it did not affect the popularity of the tournament which always draws the best young hockey talent from all over the world.

I extend my warmest congratulations to the Johor State Government, the Johor Hockey Association and the Malaysian Hockey Confederation for their splendid organisation over the years and it could be even better this year.

This would not have been possible without the firm support and assistance from the sponsors who have been very supportive in all our endeavours, the related government agencies and many others, including officials and volunteers for their support and tireless contributions to the support of the tournament.

We are all aware that the Sultan of Johor Cup is an invitational tournament that is limited to only six teams and every year the organisers are forced to turn down requests from many countries. However, I have been told there will be eight teams competing next year.

**"One man practicing
sportsmanship is far better
than fifty preaching it."**

- Knute Rockne

This is another milestone in the history of the Sultan of Johor Cup. Sports brings nations together and it develops and strengthens friendships and in the process, bonding people in spirited competition.

Congratulations again to the organizers. It is certain that with the presence of more teams with world class status, it will make the competition more lively and interesting to follow as the Junior World Cup Finals will be hosted by Malaysia in Kuala Lumpur next year in December.

Hosting international tournaments in Malaysia also plays a role in highlighting the beauty of Malaysia to the world community. There are some popular tourist destinations in our country that will be unforgettable memories.

This year we will see defending champions Great Britain, India, runners-up at the last edition of the Sultan of Johor Cup in 2019, Australia, Japan, Malaysia and debutants South Africa battling to engrave their name on the silverware.

I wish all the participating teams best of luck and enjoy your stay in Malaysia.

DATO' MAJID MANJIT ABDULLAH

PRESIDENT OF THE JOHOR HOCKEY ASSOCIATION

First I want to thank the association for allowing me to serve as president and be part of an organisation, be motivated and persistent in pursuing a goal of success.

I am humbled, honoured and privileged to assume the role of president of the Johor Hockey Association. I am deeply grateful to my predecessors and inspired by their commitment to JHA and all of their achievements.

This alone is enough for me to look forward to continuing this important work towards fulfilling the mission of Johor Hockey.

The last two years were challenging as the world dealt with the pandemic and like many other sporting events, the Sultan of Johor Cup fell 'victim' - forcing the much acclaimed tournament to be cancelled in 2020 and 2021.

However, here we are celebrating the 10th anniversary of the world's only annual Under-21 invitational hockey tournament, that was inaugurated in 2011, a tournament that features in the FIH annual calendar.

As in the past years, this year's tournament will be held at the Taman Daya Hockey Stadium in Johor Bahru from October 22-29. The Taman Daya Hockey Stadium has become the 'cradle' and 'spiritual home' for SOJC.

Teams competing this year are defending champions Great Britain, runners-up India, Australia, Japan, hosts Malaysia as we welcome debutants South Africa.

The two-year (2020 and 2021) hiatus has turned out to be a blessing in disguise for SOJC and I am delighted to confirm that tournament will be expanded to eight teams next year from the present six.

It is also the year when Malaysia will host the Junior World Finals in Kuala Lumpur in December. With this in mind, we have scheduled next year's SOJC to be held in October.

"When life seems hard, the courageous do not lie down and accept defeats; instead, they are all the more determined to struggle for a better future."

- Queen Elizabeth

This will enable the teams to finalise their Junior World Cup squad if they qualify.

I wish to thank the Johor State Government for once again coming to the forefront with a contribution of RM500,000 to lead the list of sponsors with Radio Television Malaysia (RTM), the host broadcaster next on RM400,000.

The sponsors have been very supportive of all our endeavours. Not forgetting the related government agencies and many others, including technical officials and volunteers for their support and tireless contribution to the success of the tournament which is now known worldwide.

I am confident that the teams are all geared and fired up to do well in this tournament. I wish them the very best of luck. Give your best in all matches and participate in full sporting spirits.

The world has changed; and the world continues to change but the return of SOJC after a two-year absence is another important phase and milestone in our efforts to ensure that our athletes and sports persons in general are motivated to strive for excellence.

I encourage people to come to Johor Bahru to watch the future stars in action. The SOJC is a tournament that is the perfect platform to expose, unearth and launch new talent.

Thank you.

DATO' SRI SUBAHAN KAMAL

PRESIDENT OF THE MALAYSIAN HOCKEY CONFEDERATION

It gives me the greatest pleasure to bid "SELAMAT DATANG" to all for the 10th edition of the Sultan of Johor Cup Under-21 Invitational International Tournament after a two-year break due to the Covid-19 pandemic.

Once again we have big names in hockey lined up for the prestigious tournament that has made such an impact in the sport. The SOJC has been a hotbed of hockey talent.

Most players either bloomed late in their careers, or they did not venture out of their geographical territories, due to lack of opportunities. The world-acclaimed Invitational Under-21 helped turn a dream into reality for many.

The SOJC drew the attention of hockey officials, fans, media, coaches that has played a part in their career.

The six-nation SOJC was not held in 2020 and 2021 but after a two-year absence the world's only Under-21 Invitational tournament returns with good news which will see eight teams competing next year.

We are thrilled with the latest developments as we have won the bid to host the 2023 FIH Junior World Cup Finals. For Malaysia and this region in particular, the Junior World Cup will be a catalyst for growth and development of the sport amongst youngsters.

From now until the Junior World Cup Finals in December 2023, the Malaysian Hockey Confederation (MHC) will invest in the necessary resources and work closely with all relevant parties, including the government of Malaysia, FIH and various stake holders to ensure the event is an overwhelming success.

In this respect the Johor Hockey Association, and Johor government in particular, deserve a pat on the back for their efforts to develop young talent. This has benefited

"Sport, we are told,
Is war without bullets."

- Anonymous

not only Malaysia but also other hockey playing nations. As in the past years, we are going to see some adrenaline-pumping matches as Australia, India, Great Britain, Japan, newcomers South Africa and host Malaysia vie for honours in this year's week-long tournament.

The Sultan of Johor Cup has never been short of thrills and spills from the young hockey talent that get the opportunity to break into the senior ranks and play in bigger tournaments like the Olympics and the World Cup.

Gear up for another week of intense hockey rivalry between the six teams - Great Britain, India, Australia, Japan, newcomers South Africa and Malaysia from October 22-29 at the Taman Daya Hockey Stadium in Johor Bahru.

I feel deeply delighted to witness this six-nation invitational tournament grow from strength to strength and with eight teams next year it is one of the most important international tournament.

Let us continue the good work. The Johor Hockey Association has done a splendid job since the tournament was inception in 2011. It is our wish to see the good work prosper and reach the desired heights.

To all the participating teams I wish them luck. Play your game in the true spirit of sportsmanship. Let the games begin.

Thank you.

DATO' FUMIO OGURA

PRESIDENT OF THE ASIAN HOCKEY FEDERATION

First of all, I feel excited because the Sultan of Johor Cup Under-21 Invitational International tournament is being organised again this year after a two-year absence due to the Covid-19 pandemic that hit the whole world.

This tournament has been such a hit since its inception in 2011 that it found its way into the International Hockey Federation (FIH) annual calendar a year later. That spells the impact the Sultan of Johor Cup has created among the hockey playing nations as it is the only annual Under-21 tournament.

It is heartening to note that the six-nation invitational tournament will be an eight-team affair in 2023. The Sultan of Johor Cup has always been challenging and it will be more exciting as Malaysia will be hosting next year's Junior World Cup Finals in Kuala Lumpur in December.

A huge thank you to the organisers for continuing to make Asia proud through the organisation of a world-class tournament like the Sultan of Johor Cup which indirectly helps boost the development of the game in the region.

Our goal is to see the sport continue to grow and this objective has been successfully realised through the organisation of the Sultan of Johor Cup. It has had a huge impact on the development of hockey in this region.

"In order to succeed, your desire for success should be greater than your fear of failure."

- Bill Cosby

The Asian Hockey Federation is proud of the organising committee, the Johor Hockey Association, the Malaysian Hockey Confederation, the Johor State Government and not forgetting the commitment from the Johor Palace for their tremendous efforts to ensure the tournament's success on all fronts.

This year we will see South Africa making its debut in the tournament and this is very encouraging as the Sultan of Johor Cup celebrates its 10th anniversary.

With defending champions Great Britain and runners-up India also in the fray together with Australia, Japan and Malaysia we will witness another hockey extravaganza in Johor Bahru from October 22-29.

So, to all the participating teams this year, I wish you the best of luck and compete with high sportsmanship.

Good luck.

SEIF EL DINE AHMED

ACTING PRESIDENT OF THE INTERNATIONAL HOCKEY FEDERATION

The return of the Sultan of Johor Cup Under-21 Invitational International tournament after a two-year hiatus due to the Covid-19 pandemic has a simple message that reads WELCOME TO MALAYSIA.

We are excited to be able to return to Malaysia - more so when the tournament celebrates its 10th anniversary with good news that there will be eight teams next year instead of the present six.

This is certainly a big boost to the game in our efforts to tap young hockey talent and take hockey to greater heights all over the world. Hockey has grown tremendously..

Congratulations to the organisers - namely the Johor Hockey Association, the Johor State Government, the Malaysian Hockey Confederation plus other agencies - for their efforts and commitment to continue making this tournament a premier agenda in their sports calendar.

For me, Malaysia is very unique and that is why the Sultan of Johor Cup is always looked forward to by all the teams , both from Asia, Europe and other continents.

“Everything you’ve ever wanted is on the other side of fear.”

- George Addair

I am sure this year’s tournament will be intense from the rivals in an effort to realise their mission with a podium finish.

It is good to know that South Africa will be making its debut in the tournament. As the president of the African Hockey Federation (AfHF), I am proud to see a team from the African continent throwing in its challenge for the trophy.

The other teams will be Great Britain, who are the defending champions, India, who were runners-up at the last edition, Australia, Japan and hosts Malaysia.

To all the teams, I wish you the best of luck.

Thank you.

JOHOR GOVERNMENT LEAD SPONSORS WITH RM500,000

The 10th anniversary edition of the Sultan of Johor Hockey Cup will be held at the world class Taman Daya Hockey Stadium in Johor Bahru from October 22-29 after a two-year absence, received a big boost financially from sponsors.

As in the past the Johor state government topped the list of sponsors with a contribution of RM500,000 followed by Radio Television Malaysia (RTM) - the host broadcaster of the tournament - coming in second with RM400,000.

In a glittering ceremony, the official launch of the prestigious tournament was held at the Persada International Convention Centre in Johor Bahru on Sept 15 where the sponsors handed over the mock cheques to Tunku Abu Bakar Mahmood Iskandar Ibrahim Ibni Sultan Ibrahim, who represented His Majesty Sultan Ibrahim the ruler of Johor.

A total of RM2.055 million was raised at the launch - giving the much sought after tournament a kickstart for the hockey extravaganza that will see six nations

competing for the majestic Sultan of Johor Cup.

South Africa is making its debut in the tournament and will add colour to the keen rivalry that is always seen between the participating teams. The other teams are defending champions Great Britain, runners-up India, Australia, Japan and hosts Malaysia.

Also present at the launching ceremony was State Youth, Sports, Entrepreneur Development and Cooperatives Committee chairman Tuan Mohd Hairi bin Mad Shah, Johor State Secretary Tan Sri Dato' Dr. Haji Azmi bin Rohani, Johor Bahru City Mayor Datuk Norazam Osman, Malaysian Hockey Confederation (MHC) president Datuk Sri Subahan Kamal and Johor Hockey Association president Dato' Majid Manjit Abdullah, Datuk Amran A. Rahman JHA deputy president (1) and other dignitaries.

The tournament is co-hosted by the Johor State Government, Johor Hockey Association (JHA) and Malaysian Hockey Confederation (MHC).

The Sultan of Johor Cup is the only Under-21 Invitational

 **Johor State Government | RM500,000**

International tournament held annually and features in the FIH annual calendar.

Johor Corporation (JCorp), which is the state government's investment arm, Tenaga Nasional Berhad (TNB), SKS Group, Iskandar Waterfront Holdings, Contemporary Logistics - all pledged RM100,000 each.

Pelabuhan Tanjung Pelepas Sdn Bhd (Port of Tanjung Pelepas) pledged RM75,000 followed by Astaka Padu Sdn Bhd, YPJ Holding Sdn Bhd, Tropicana Corporation Bhd, JBB Builders (M) Sdn Bhd, Berjaya Corporation Bhd, Oakland Holdings Sdn Bhd, Southkey City Sdn Bhd, WCT Holdings Berhad, Lionmas Furnishers (M) Sdn Bhd, Brightcon Sdn Bhd presented mock cheques of RM50,000 each.

Kerjaya Prospek (M) Sdn Bhd and D' Harmoni Telco Infra Sdn Bhd pledged RM30,000 each and Pinetree Marina Resort, which is the official hotel for this year's Sultan of Johor Cup, pledged RM20,000.

SULTAN IBRAHIM

A DISTINGUISHED LEADER AND RESPECTED MONARCH

Johor ruler Sultan Ibrahim Ibni Almarhum Sultan Iskandar was conferred an Honorary Doctor of Laws degree by the National University of Singapore (NUS) in recognition of his "integral role in ensuring the peace, progress and prosperity of the State of Johor, and his invaluable contributions towards strengthening of ties between Singapore and Malaysia".

The honorary degree is its highest form of recognition for outstanding individuals who have rendered distinguished service and had a great impact locally and globally.

The special conferment ceremony was held at the Istana in Singapore and presided by President Halimah Yacob who is also the NUS Chancellor, during Sultan Ibrahim's official visit to the republic in July.

"Under Sultan Ibrahim's leadership the close friendship between Singapore, Johor and Malaysia has grown deeper and stronger," said NUS president Tan Eng Chye.

"Sultan Ibrahim is a distinguished leader and respected monarch of many outstanding attributes - a seasoned soldier, a benevolent philanthropist and above all, a caring ruler who has the welfare of his subjects at heart."

For the official visit to Singapore, Sultan Ibrahim was accompanied by his wife Her Majesty Permaisuri of Johor Raja Zarith Sofiah, Crown Prince His Highness Major-General Tunku Ismail and his wife Che' Puan Besar Khaleeda and Johor Chief Minister Datuk Onn Hafiz Ghazi.

Two months earlier in May, Singapore Prime Minister Lee Hsien Loong was conferred the highest honour in the state - the First Class Grand Commander of the Order, Dato' Sri Paduka Mahkota Johor (SPMJ) - Order of the Crown of Johor.

His wife Madam Ho Ching received the First Class Grand Commander of the Order Dato' Sri Mulia Sultan Ibrahim Johor (SMII) - Order of Sultan Ibrahim of Johor.

'I AM PROUD OF MY SONS' RACING ACHIEVEMENTS'

- SULTAN IBRAHIM

Coming hot on the heels of Johor's historic SUKMA success, HH The Tunku Panglima of Johor, Tunku Abdul Rahman Al-Haj Ibni Sultan Ibrahim gave more sporting cheer for the state when he clinched the GT World Challenge Asia GT3 Pro-Am Driver's Championship with his partner Nick Foster on 25 September.

Their team, Triple Eight Race Engineering also triumphed in the overall GT3 Teams Championships following the conclusion of the final round of racing at the Okayama Circuit in Japan.

HH The Tunku Putera of Johor, Tunku Abu Bakar Al-Haj Ibni Sultan Ibrahim also capped a fine debut season, clinching 5th spot in the GT3 Pro-Am Drivers standings alongside partner Jazeman Jaafar.

Beaming with pride, His Majesty The Sultan of Johor, Sultan Ibrahim Ibni Almarhum Sultan Iskandar, said he was very pleased with the achievements of his two youngest sons.

"We didn't only create history on the national stage with SUKMA, but my sons also flew the Johor flag high on the international arena," said His Majesty.

"I would like to congratulate them both on a job well done this season. To Iman (The Tunku Panglima), keep up the good work and to Boo (The Tunku Putera), try and overtake your brother next season!"

MALAYSIAN HOCKEY HISTORY WRITTEN AT SULTAN OF JOHOR CUP IN 2011

Great Britain has been the most successful team in the Sultan of Johor Under21 International Invitational tournament since it was inception in 2011, winning the title three times and are the defending champions.

However, November 12 that year also holds special memories for Malaysian hockey. It is the day when Malaysian hockey history was written by the young Malaysian team, lifting the trophy at the Taman Daya Hockey Stadium in Johor Bahru with a 3-2 win over Australia after extra time.

In the process, Malaysia had the honour of being the first team to engrave their name on the majestic silverware made of sterling silver.

The RM100,000 trophy was specially crafted and handmade in London. The Sultan of Johor Cup was 'born' - thanks to the keen interest shown by two sporting royalties - Tengku Abdullah (now king of Malaysia) of Pahang and Sultan Ibrahim of Johor.

It was a historic win for Malaysia as it was Malaysia's first ever international hockey title either at home or

abroad. Coach K. Dharmaraj described the win as a "great moment for the game in Malaysia."

Skipper Mohamed Noor Faez scored from a penalty corner in the 75th minute to seal the title. He also forced the match into extra time with a last gasp equaliser in the 69th minute. Fitri Saar scored Malaysia's other goal.

Great Britain won the title in 2015, 2018, 2019. India and Australia have won the title twice each. The Indians were champions in 2013 and 2014, while the Aussies engraved their name in 2016, 2017. Germany is the only other team to have lifted the silverware and this was in 2012 with a 3-2 win over India in the final.

"Great moment for
the game in Malaysia."

- Coach K. Dharmaraj

The 10th edition of the Sultan of Johor Cup will be held at the world class Taman Daya Hockey Stadium in Johor Bahru from October 22-29. The Taman Daya Hockey Stadium was also the venue for the 2009 Junior World Cup final where Germany beat the Netherlands 3-1.

This year, South Africa is making its debut in the tournament which will add colour to the weeklong hockey extravaganza. The other teams are Australia, Great Britain, India, Japan and host Malaysia.

As hosts, Malaysia have featured in all previous editions while Australia and India are next on the list with eight appearances each, followed by Great Britain and New Zealand with seven each and Pakistan on six.

SOJC TO HAVE EIGHT TEAMS NEXT YEAR

The much sought after Sultan of Johor Cup Under-21 Invitational International tournament is back after a two-year hiatus due to the global Covid-19 pandemic which saw the shutting down of industries, travel, and borders and sport also saw similar effects.

This led to almost total shutdown of competitive sport at all levels and the six-nation Sultan of Johor Cup, which celebrates its 10th anniversary this year, had to be cancelled in 2020 and last year.

This year's tournament will remain a six-team affair. However, it will be eight teams next year, vying for the majestic silverware says Johor Hockey Association (JHA) president Dato' Majid Manjit Abdullah.

The change is timely for the SOJC as Malaysia play hosts to next year's Junior World Cup Finals in Kuala Lumpur in December. Apart from hosts Malaysia, the other 15 teams will qualify via the continental championships.

According to Manjit, Germany, runners-up at the last

"After 10 years, we will have eight teams competing in next year SOJC."

- Dato' Majid Manjit Abdullah

edition of the Junior World Cup held in Bhubaneswar in Odisha, India, have already written to the Malaysian Hockey Confederation (MHC) to be invited for next year's Sultan of Johor Cup.

"We have also scheduled next year's SOJC to be held in October before the Junior World Cup Finals so that teams can use the tournament as their final testing ground before finalising their final World Cup squad," said Manjit.

The Sultan of Johor Cup is the only annual Under-21 (invitational) international tournament and features in the FIH annual calendar. It has become such a hit that year in, year out it has become painful for the organisers to turn down requests. That hurts.

With the increase in teams the format for Sultan of Johor Cup is expected to change from the current round-robin league where the top two teams play in the final while the third and fourth placed teams battle for the third placing playoff. The format will be decided later.

'TARZAN' SELVARAJAH'S

PAIN AND HEARTBREAK IN HOCKEY

He was named as one of the best Malaysian players by Pakistani legend Rashid Junior, and even then the country's hockey head honcho Raja Azlan Shah, later Sultan Azlan Shah, wanted him for the national team.

Sadly, though, A. Selvarajah who stood at an imposing 6'2" did not make it into the squad.

But that is not something that was going to stop Selvarajah, the man known as "Tarzan". He has survived a lot more. He has lost two front teeth in a match and had stitches to his face, but never gave up.

Tarzan became a well known name in Johor hockey circles when Selvarajah began his hockey journey in Batu Pahat in 1972. He has former Johor hockey coach, the late Indran R. Nathan, to thank for his early rise.

The six-footer struck an fearsome figure as fullback on the hockey field and teammate Lim Chuan Seng, who had difficulty pronouncing his name, gave him the moniker "Tarzan".

"I was not into sports in my school days although every evening I would go to the football field for a kickabout just to lose weight. One day, Indran, who was coaching some hockey players on the adjacent field came over and gave me a hockey stick.

"Indran must have been impressed with my brand of hockey and told me to switch as there was no prospect in football. I fell in love with the stick-and-ball game. Two years later I won a place in the state Under-23 team while playing for my district," added Selvarajah.

"I fell in love with the stick-and-ball game-thanks to coach Indran."

One thing led to another and Tarzan soon earned a place in the Johor senior team for the Razak Cup in 1976. His accuracy in converting penalty corners with power packed hits were the hallmarks of his game.

Selvarajah worked extra hard on his skills, hits during training in the evenings and in the mornings did cross-country runs to improve his fitness.

He has had his fair share of ups and downs in the game. A reverse hit by Chuan Seng during a match in Batu Pahat saw his losing two front teeth.

During an inter-district match in Segamat, he was rushed to hospital and needed five stitches for a wound when former international Balbir Singh's stick landed on his left cheek.

Selvarajah took all that in his stride - the hard knocks, the bruises and injuries - that come with the game.

However, the national team debacle remains the most painful episode of his life. The 69-year-old father of three, who has now settled down in Kulai, Johor, will remember the pain the rest of his life.

It was 1978 and he had played a sterling role in Johor's friendly match against Pakistan in Johor Baru. The Pakistanis struggled in the first half and could not score a single goal, with Tarzan standing resolutely in their way.

"Tarzan played the game of his life." said well known local sports journalist George Dass.

(Then) Malaysian Hockey Federation president Raja Azlan Shah, who was also Chief Justice of Malaysia, told him he has been selected for the World Cup in Buenos Aires, Argentina after being strongly recommended by Pakistani ace Rashid Junior.

Selvarajah went off to Kuala Lumpur where he trained for one month with the national squad. Then came the heartbreak.

"Only later I found out that the team had already been selected. It still hurts when I think of it ... because many already knew the team had already been selected." said Selvarajah, his voice tinged with sadness.

It was the same scenario when he was called up the 1977 SEA Games in Kuala Lumpur. Again, the team had already been selected but he was still told to report for training.

The bitterness is behind him now.

Selvarajah is married to Retha and has three sons. The eldest Viswanathan, 35, is an accountant in Kulai, while the second Previndnathan 30, and the third Navinathan 29, are marine engineers based in the United States and Brazil respectively.

He is still a success story despite his failure to be picked for the national team.

"Ability is a poor man's wealth"

- John Wooden

ARUL'S BIGGEST COACH - HIS TEACHER PERPINDER

Former international A. Arul Selvaraj - is back in the fold in the national hockey coaching setup after taking up the hot seat from Roelant Oltmans - and the chief coach takes pride to take Malaysia to next year's men's World Cup.

He joins the ranks of the late Ho Koh Chye, who guided Malaysia to fourth place in Kuala Lumpur in 1975, Malaysia's best ever placing in the world meet. Koh Chye also took Malaysia to World Cups in Amstelveen, Netherlands (1973) and Buenos Aires (1978).

Other local coaches who guided Malaysia to the World Cup are Datuk R. Yogeswaran (Bombay, 1982) and K. Dharmaraj (The Hague, 2014). Three foreign coaches - Germans Volker Knapp (Utretch, 1998) and Paul Lissek (Kuala Lumpur, 2002) and Dutchman Oltmans ((Bhubaneswar, 2018) achieved the same for Malaysia.

"Hockey has been my passion. However, it is hard work with **lots of sacrifices to be made on the personal front.**"
- Coach A. Arul Selvaraj

Now, Arul is on a mission to rewrite Malaysian hockey history in the World Cup in Bhubaneswar. Malaysia qualified for the world meet after finishing runners-up to South Korea in the Asia Cup in Jakarta in June this year. The Koreans won the final 2-1. It was a heartbreaking defeat for Arul and company.

The 15th edition of the World Cup will be played in Bhubaneswar and Rourkela in India from Jan 13-19. Malaysia are in Pool C that also includes the Netherlands, New Zealand and Chile.

Still, Arul is proud of the team's achievements and so is his former teacher and hockey coach Perpinder Singh at Segamat High School. Perpinder speaks fondly of Arul, both as a student and a hockey player.

"I have known Arul since his younger days. He is an individual who has all the qualities required as a player or as well as a coach. Arul as a player was very disciplined and hardworking. His attitude during hockey trainings was a plus factor, always willing to learn and take responsibilities when given a task.

It is not surprising that he is at present the national coach," says Perpinder, who was also the school's much feared discipline teacher.

Arul, who also hails from Segamat, Johor, is not new to the national team. He was the head coach for the 2010 Asian Games in Incheon, South Korea, and also handled the National Junior team. His last assignment with the juniors was the 2015 Junior Asia Cup in Kuantan, Pahang.

The former left-back comes with a wealth of experience and had coaching stints with the South Africa and Ireland national teams. He also ran his own AA Hockey Academy and was the technical director of the YMCA Hockey Club, both in Dublin.

“Coaching is a profession of love. You can't coach people unless you love them”

- Eddie Robinson

Arul took the first flight out of Dublin on June 15 2020 when the borders were opened, to visit his parents. There were only 12 passengers on the Qatar Airways flight from Dublin to Dubai. From Dubai to KL there were 60 passengers.

While he was here he got a call from MHC president Datuk Sri Subahan Kamal for chit chat over a cup of tea and he asked if I was keen to be in the national coaching set-up. The rest is history.

“I took up the offer as it is an honour to be part of the coaching set-up and help my country,” said Arul.

In the same breath, Arul said if there is one person who he would like to thank and has not forgotten is Perpinder, a former Johor player and was well known for playing the game barefoot and was nicknamed “kaki-ayam” for that.

“Perpinder was my school hockey coach. He was also the discipline master and he was also the one who forced me to be a school prefect. I owe him for what I am today,” added Arul, recollecting his school days in Segamat.

“I had a very disciplined upbringing. My father was a no nonsense man and a very strict disciplinarian. Perpinder was next to my father. Both moulded me into what I am today. I am grateful for that.”

“I learned hockey from Perpinder... owe him what I am today. As my former teacher I sincerely thank him for all that he did for me during my school days.”

Arul had his fair shares of ups and downs in the national squad but he has shown a strong character to “move forward” in pursuit of glory.

“Hockey has been my passion. However, it is hard work with lots of sacrifices to be made on the personal front.”

Arul is married to former national athlete K. Soloseeni. The couple is blessed with three girls - Tharine, 19, Erin Mridula, 13 and Deepa, 11. His family still resides in Dublin, Ireland.

“I have a wonderful wife who is capable of handling a family matter, knowing that my presence will be missed during special occasions,” said Arul, who has found courage in pursuit of a life of real fulfillment to complete an unfinished job.

KAMARUDDIN AHMAD - A RARE BREED AS DOUBLE INTERNATIONAL

"We share the same DNA," says a proud Kamaruddin Ahmad, 65, - with pride on his family's involvement in sports at all levels.

Kamaruddin, a father of eight, himself is a rare breed double international, has donned national colours in football and hockey in the ball games.

As they say 'Like father, like son' - his three sons - Kamarul Afiq, Kamarul Ariffin and Kamarulzaman - are household names either in Malaysian football or hockey.

Afiq, 36, the eldest, played for Johor Darul Ta'zil (JDT) and several other clubs in the Malaysian Football League while it is the stick and ball game for Kamarul Ariffin, 27 and Kamarul Zaman, 22. Both, Ariffin and Kamarulzaman are pillars in Johor's Razak Cup team.

Kamarulzaman, played a key role for Malaysia in winning the gold medal in the Hockey 5s 2018 Summer Youth Olympics in Buenos Aires with a stunning 4-2 win over favourites India. In the semis Malaysia staved off surprise package Zambia for a 7-4 win.

Kamaruddin revealed that his five daughters were also very much into sports but they chose to pursue their respective careers in other fields.

Known for his unique, strong character, admits to having a rebellious streak. He also revealed why he finally chose football as his career instead of hockey.

"Without doubt football is a crowd puller. Matches were played at night to packed stadiums. There were also live telecast of matches... it's something not to be missed. Dream of many footballers to appear on television," said Kamaruddin, adding that he was torn between two sports he loved most.

"It was painful in many ways but I chose football over hockey. Hockey was more of social although I managed to find a place in the national team. The man who had an impact on my hockey is Pritam Singh (JHA official), who pushed me to take up the sport. "

In the same breath, Kamaruddin said he did not want his children to undergo such situations and left it to them to decide on their choice. I did, however, tell them that there is no shortcut to success. They have to work through the hard way to achieve success.

Kamaruddin's hockey saw him play for the Johor U-20,U-23 and the, Razak Cup,sides. This earned him selection to the youth team in preparation for friendlies against Germany, Argentina for the 1977 World Cup qualifiers In Kuala Lumpur.

Malaysia qualified for the Finals in France in 1979 and finished a creditable fourth, losing to the Netherlands 2-1 in the playoff. The same Kamaruddin won the Sea Games hockey gold in Jakarta and a year later represented Malaysia in the Esanda hockey tournament in Australia.

In football Kamaruddin had an equal share of success playing for Malaysia in the Merdeka Tournament in 1985 and the 1985 Bangkok Sea Games. A year later donned national colours in the 1986 Asiad in Seoul, South Korea.

Representing Malaysia alongside Nurulhuda Abdullah (swimming), Misbun Sidek (badminton), Ishak Amin (cycling), Linda Kwan bowling, and Raj Kumar (athletics) is something he cherishes till today.

For his achievements,
Kamaruddin was named the
Johor Sportsman of Year in 1985.

One football incident that will remain etched for the rest of his life is when Johor and Kelantan fans fought a running 'battle' in the terraces of the Larkin Stadium opposite the grandstand in 1987. There were several casualties with some taken to hospital for treatment. Johor won the match.

Coming back to hockey, Kamaruddin sees Kamarulzaman as one with leadership qualities who has acquired a taste for the game in a competitive atmosphere.

"He (Kamarulzaman) has good and accurate shots, is fast and energetic," says Kamaruddiin of his son, who has been called up to the senior national squad.

NIGHT OF ENORMOUS TRIUMPH FOR JOHOR SUKMA CONTINGENT

Johor wrote Malaysia Games (Sukma) history - clinching the overall title for the first time since its inception in 1986 - ending the 20th edition of the games with an impressive haul of 77 gold, 52 silver and 43 bronze. At the last Sukma held in Perak in 2018, the southern state finished ninth overall with a 29-34-37 tally.

Terengganu, the overall champions in 2018, could only manage a second placing this time around with figures of 64-49-56 while Federal Territories finished third with 55-68-64.

It was a night of enormous success for the Southern state when this year's edition came to a close at the Chancellor Tun Abdul Razak Hall, University Kebangsaan Malaysia (UKM) in Bangi on September 24.

Two Johor athletes also walked away with the Best Sportsman and Best Sportswoman awards in this year's edition - as Johor gave strong signals as an emerging new powerhouse in Malaysian sports.

Competing in his last Sukma, 21-year-old rower Mohd Fakhrullah Mohd Rumaize, 21, won nine gold medals in the canoe events and along the way set two national records in the K2 500m (1:43.045s) and K2 1000m (3:35.50s) to be named as the Best Sportsman.

Swimmer Tan Ronxin, who is only 16, making her debut, in national games, ruled the pool with six gold medals, one silver and one bronze. She won gold in the 50m breast stroke, 100m breast stroke, 200m breast stroke plus golds in the 100m back stroke, 200m back stroke, 200m individual medley.

The Form Four student has now set her sights on qualifying for next year's Sea Games in Cambodia.

JDT - KINGPINS OF MALAYSIAN FOOTBALL

Johor Darul Ta'zim (JDT) - popularly known as the Southern Tigers- continued to rule Malaysian football by clinching their ninth consecutive Malaysian Super League title since 2014.

It is a huge, huge success for the team which is owned by Johor Crown Prince His Highness Major-General Tunku Ismail Ibni Sultan Ibrahim, more so when JDT II had earlier won the lower-tier Premier League title.

Besides the above success, the club has also won the FA Cup title with a 3-1 win over pretenders Terengganu. With a well structured setup that is bearing fruits, JDT III won the President's Cup and the National Schools Under-17 title.

The change of chief coach in mid-season had little effect on JDT when long-serving Mexican Benjamin Mora quit and was replaced by Hector Bidoglio from Venezuela.

For the record, JDT have won a total of 39 trophies over a nine year spell. After winning the Super League and the FA Cup the Southern Tigers have set their sights on a grand treble with an eye on the prestigious Malaysia Cup.

JDT also became the first Malaysian team to reach the knockout stage in the AFC Champions League before bowing out to Japanese giants Urawa Red Diamonds.

JOHOR CONTINUES TO PROSPER

“Costing RM4.7 billion, it is a joint venture between Tenaga Nasional Berhad (TNB) and the Sultan Ibrahim Power Plant (SIPP) in Pasir Gudang which contributes to the reduction of carbon footprint.”

The notable landmark in the development of the electricity generation industry in Johor and the southern region strengthens further the generation capacity in peninsular Malaysia to 26,744.8MW.

The SIPP has also been recognised as “Plant of the Year 2021” by Power Magazine, a United States based international power generation industry publication.

The origins of the name Johor comes from the Arabic word ‘JAUHAR’ which means ‘precious jewel’ - recorded the highest investment in the country for the period from January to June this year, RM60.9 billion, an increase of 822% over the same period in 2021.

Chief Minister Datuk Onn Hafiz Ghazi said what has been achieved proves that Johor is capable of attracting high-tech and quality investments, thereby increasing the state’s economy to a higher level.

Johor Darul Ta’zim or simply known as Johor has an identity of its own - Bangsa Johor - that is blessed by His Majesty Sultan Ibrahim Ibni Almarhum Sultan Iskandar, the much loved and caring ruler of the southern state.

“The government will continue to identify more high-quality and high-impact investments to establish a foothold in Johor. A consistent investment fund will be an economic buffer that can guarantee the survival and well-being of the people of Johor.”

The southern-most state of Mainland Asia continues to prosper on all fronts. In March 2022 the world’s first commercial power plant to use the latest and most technologically efficient 9HA.02 gas turbines developed by General Electric was launched by Sultan Ibrahim.

Costing RM4.7 billion, it is a joint venture between Tenaga Nasional Berhad (TNB) and the Sultan Ibrahim Power Plant (SIPP) in Pasir Gudang which contributes to the reduction of carbon footprint.

JB CITY WITH A LITTLE BIT OF EVERYTHING

With a population of 2 million - which is half of the Johor state population - the rapidly changing skyline speaks of the massive development that is taking place in the booming city of Johor Bahru or simply known as JB.

It is a "paradise" and Johor Bahru City Mayor Dato' Noorazam Osman can vouch for this with a simple message "JB is a city with a little bit of everything" to welcome those who visit the southern city.

The Mayor speaks with pride about the city which has a lot to offer - from heritage buildings and iconic landmarks - with a proud history that captures the glory of past eras.

"There are a lot of places to visit and understand JB to grasp the history. The multiracial and multi-religious elements not only define Bangsa Johor but speaks of the harmony of the people of this southern state."

The Sultan Abu Bakar Mosque, which is more than 100 years old features a blend of Islamic and colonial design while the

interiors boast Roman pillars with big colonial-style windows that adorn the prayer hall. The single-layer pyramid-style roof is accompanied by four grand minarets.

The Johor Ancient Temple was built in the 19th century and stands resplendent with heritage between city skyscrapers and office towers. It has a rich history that dates back some 150 years and was built by Chinese community leaders.

"JB is a city that is a must visit place for people of all walks of life."

- Dato' Noorazam Osman, Johor Bahru City Mayor

Johor Bahru is also the home of the world-renowned annual Chingay parade that attracts thousands of visitors to this city. Chingay, also known as the "Parade of the Deities" unifies the five prominent Chinese clans in Johor Bahru - the Hakka, Hainan, Cantonese, Hokkien and Teochew.

Another iconic landmark in the heart of the city is the Arulmigu Rajamariamman Devasthanam Temple which is built on a piece of land donated by Sultan Ibrahim who also made a significant contribution to the construction. This temple was called Mariamman Temple when completed before the name was changed in 1985.

The Gurdwara Sahib Sikh Temple in Jalan Trus, Johor Bahru is the pride of the Sikh Community and the first Sikh Temple in the state that was constructed in 1921.

The Johor government contributed RM150,000 and the Lee Foundation RM100,000 towards the cost of a new Gurdwara Sahib building that cost RM1,300,000. The rest was raised from donations from the Sikh sangat in Malaysia and Singapore.

The Catholic Church of Immaculate Conception is the oldest church in the city. It has a touch of royalty as it is built on a piece of land that was graciously donated by His Highness Sultan Abu Bakar in 1883.

The Statue of Our Lady stands at the Church entrance and was donated by the late Sultan Ibrahim.

Food lovers can just about find their favourite food - both Asian and Western, including typical American breakfast. Not to be left out Johor Bahru is a sports hub apart from being an education center.

Mayor Noorazam also revealed that for a healthy lifestyle and make the city more liveable the city council is in the midst building a RM3 million bicycle lane that would stretch along the Central Business District, Jalan Kolam Ayer, Jalan Tasek Utara and Jalan Yahya Awal.

Johor Bahru is the "Gateway to Mainland Asia" and is linked to neighbouring Singapore by the Causeway and the Second Link.

NO TOURNAMENT DUE TO PANDEMIC

2021

NO TOURNAMENT DUE TO PANDEMIC

Rest in Peace
Mr. Satwant Singh Dhaliwal

He was blunt. He was fearless. He was arrogant. He was hard-hitting in his articles. He showed no mercy to those who abused power or those who were deadwood in their respective bodies but were there for personal gains. He was one of the strongest critics in the sports industry.

The 60-year-old who had retreated to his hometown Tampin in Negri Sembilan, for a quiet life due to failing health passed away on October 14. The bachelor is said to have collapsed in a coffee shop near his house where he had gone for breakfast at around 7 am.

The late Satwant was synonymous with the Sultan of Johor Cup where he served as the media official since the invitational tournament was inaugurated in 2011. Johor Hockey Association president Dato Majid

Manjit Abdullah said Satwant's passing is a great loss not only to the Sultan of Johor Cup but also to sports in the country. "He will be missed. We in the Johor Hockey Association and the Sultan of Johor Cup organising committee extend our deepest condolences to the bereaved family," said Dato' Manjit.

Apart from being a sports journalist, Satwant was also a well-known sports administrator and had working stints with the National Sports Council, and the Football Association of Malaysia. He also managed the Yayasan Negri Sembilan hockey league teams with considerable success, winning a treble in 1996.

"Whoever has come, shall depart;
all shall have their turn."

Guru Nanak — SGGGS 474

TEAM PROFILE

AUSTRALIA

Australia, two-time winners of the Sultan of Johor Cup, has selected a balanced team with a blend of experience and guys coming through in the younger age bracket according to Burras head coach Jay Stacy.

The final squad of 18 was picked from the National Junior squad of 27 players that had incredible depth. The best team possible was picked with an eye on the future.

An opportunity was also given to players aging out as they have not played much hockey in the past couple of years and they have aspirations to play at a higher level.

Australia also took into consideration that Malaysia will be hosting the FIH Hockey Junior World Cup in December next year. Stacy believes that the Sultan of Johor Cup provides an excellent opportunity to experience the conditions of the host country and a variety of opponents.

The Sultan of Johor Cup will provide vital exposure and experience for the Australian players who are aspiring to be selected for next year's Australian development squad and for players whose age qualifies for the World Cup.

Stacy will use the Sultan of Johor Cup for exposure to different structures and styles, taking into consideration the hot and humid Malaysian weather conditions.

Australia won the Sultan of Johor Cup twice - in 2016 and 2017.

TEAM PROFILE

GREAT BRITAIN

Reigning champions Great Britain - the only team to have won the majestic silverware for a record three times - will once start as early favourites for the Sultan of Johor Cup Under-21 Invitational International tournament.

With the annual six-nation tournament that features in the FIH calendar expanding to eight teams next year, the British side would want to engrave their name on the silverware for the fourth time after winning it for the first time in 2015.

They repeated the success again in 2018 and made it a hat-trick of titles by defeating India in the 2019 final before the tournament took a two-year hiatus due to the coronavirus pandemic.

India and Australia are the only other teams that have won the Sultan of Johor Cup twice. India won in 2013 and 2014 while the Aussies in 2016 and 2017.

TEAM PROFILE

INDIA

For India, the Sultan of Johor Cup holds importance for their junior players as it is the gateway for them to the senior team and the Invitational International meet has not failed Indian hockey.

Head coach CR Kumar is counting on several of the youngsters to move into the senior ranks in the highly competitive Under-21 annual tournament - winning the majestic silverware back to back in 2013 and 2014.

This year's squad is led by Uttam Singh with Bobby Singh Dhama as his deputy - both forwards - as India count for their third trophy in the tournament which celebrates its 10th Anniversary. The Sultan of Johor Cup went into a two-year hiatus due to the pandemic.

The Indians open their campaign against Malaysia on October 22. They play newcomers South Africa a day later. Their match against Japan is on Oct 25 followed by Australia (Oct 26) and complete their round-robin fixtures against defending champions Great Britain on Oct 28.

India could only manage a second placing in the last edition after suffering a heartbreaking 2-1 defeat to Great Britain in the final, despite taking the lead through Gursahibjit Singh with a penalty corner goal. Great Britain replied through a brace by Stuart Rushmere.

TEAM PROFILE

JAPAN

Team Manager : Mizawa Takayasu
Head Coach : Watanabe Hiroki
Physiotherapist : Sekiya Kosuke

Japan made a memorable debut in the Sultan of Johor Cup in 2016 -finishing third behind Australia and Pakistan in the six-nation invitational meet.

It did not stop at that. Japan also walked away with the Best Goalkeeper award through Keita Matsuda, who played a major role in his team's podium finish.

At the last edition of the Sultan of Johor Cup in 2019, finished fourth overall but Japan again had a winner in the individual awards - this time Kawabe Kosei took the Best Player of the Tournament award.

A great achievement for the Japanese who are never short of crowd support at the Taman Daya Hockey Stadium in Johor Bahru - thanks to the large Japanese community in Johor.

Team manager Mizawa Takayasu is optimistic that his bunch of "hardy fighters" are ready to throw in their challenge against defending champions Great Britain, runners-up India, Malaysia, Australia, and newcomers South Africa in this year's tournament.

PLAYERS

- 18 Kuroda Kisyo (GK)

TEAM PROFILE

MALAYSIA

Malaysia wrote history by winning the inaugural Sultan of Johor Cup Under-21 Invitational International and a decade later the hosts are not only eyeing a podium finishing but engraving their name on the silverware again.

Team manager I. Vikneswaran admits that it's a tall order but it is not a mission impossible although the Sultan of Johor Cup squad has only four players exposed to the senior Malaysian team.

The four 'seniors' are Amirul Haniff Mamat (12 caps) while Alfarico Lance Liau, Azmilmuizzudin Misron, and Syawal Razak have six caps each. The youngest player in the squad is 16-year-old midfielder Andy Walfian Jeffrynus.

Malaysia open its campaign in the Sultan of Johor Cup with a match against India on Oct 22 followed by Australia a day later. Newcomers South Africa face Malaysia on Oct 25, Great Britain (Oct 26), and Japan on Oct 28.

Malaysian Hockey Confederation (MHC) president Datuk Seri Subahan Kamal said Malaysia aims to do well in next year's Junior World Cup Finals which will be played in Kuala Lumpur in December and the target is at least the semi-finals.

Team Manager	: Iswarapatham Vikneswaran

TEAM PROFILE

SOUTH AFRICA

Team Manager	: Mathaba Kagiso
Head Coach	: Elliott Guy
Assistant Coach	: Pearce Keegan
Physiotherapist	: Swan Justin

The South Africans will be a hardy lot in their Sultan of Johor Cup Under-21 Invitational International Tournament debut outing in the annual meet that celebrates its 10th Anniversary this year.

There is no fear in the South African team that will be up against defending champions Great Britain, runners-up India, Australia, Japan, and Malaysia in the round-robin league with the top two teams playing in the final.

South Africa has also set their sights on the FIH Hockey Junior World Cup to be hosted by Malaysia in Kuala Lumpur in December next year.

This is enough motivation for the team to do well in Johor Bahru. Their opening match is against defending champions Great Britain on Oct 22 followed by India a day later. It is Malaysia next in their third match which is on Oct 25 before facing Japan the following day. They wind up their preliminary round fixtures on Oct 28, with a match against Australia.

Their head coach is Guy Elliot who will also lead South Africa until the conclusion of the Junior World Cup. Elliot is determined to take the team for a memorable debut in the Sultan of Johor Cup as a booster for their world cup campaign.

The team to Johor Bahru consists of three players - Cameron le Forrestier, Niel Raath and Joshua Davies - who played for the country at the last World Cup in India last year. South Africa finished 9th out of 16 in Bhubaneswar.

PLAYERS

- 2 Raath Niel
- 3 Mbata Viwe
- 4 Ansell Nathan
- 5 Ngubane Senzwesihle (C)
- 6 Mthalane Ayakha

Giving sports a strong charge for success.

As Malaysia's premier utility company, we support the many great talents that contribute to success in sports. Hockey, for instance, is a sport that's close to our hearts. We are proud to support hockey and groom talented men and women players through our TNB Thunderbolts Programme for Hockey Development, and by organising nationwide coaching clinics and sponsoring tournaments.

By providing a platform for sport to thrive on, we give people reason to come together. Spurring that kind of unity is one of the many values we hold dear as we strive to do better, whether at grassroots or global level.

YOUR PREFERRED TELECOMMUNICATION INFRASTRUCTURE PROVIDER IN JOHOR

VISION

To be the most preferred telecommunication infrastructure service provider and a role model not only in the state of Johor but also nationwide.

MISSION

Manage and control all the activities related to the construction of telecommunication structures and towers.

Ensure the element of safety, suitability, networkability and reliability telecommunication structures and tower are fully optimized.

Obtaining approval from local authorities and related agencies to grant a temporary construction permit and indirectly will increase the income of state government by collecting annual permit fees from all the telecommunication companies that operate in the state of Johor.
